PRELIMINARY AMENDMENT

United States Patent and Trademark Office
P.O. Box 2327
Arlington, VA 22202

Dear Sir:

The present paper is submitted in response to the Notice To Comply With Requirements For Patent Applications Containing Nucleotide Sequence And/Or Amino Acid Sequence Disclosures mailed on February 12, 2003, setting a one-month term.

In addition, Applicants request entry of the following amendments to the specification, which are made to add the appropriate sequence identification numbers to the specification, in accordance with the attached Substitute Sequence Listing.
